1. Ted, I will speak to you whenever you want to speak with Me. You Ted are leading a revolution—a revolution of My doing—a revolution in My body—for My body to begin operating as My body as I designed it to operate. You are not alone but one of My point men, one of My generals who will raise up many generals, and hold on to nothing I give you, hold on to no one I give you, hold on only to Me, only to Me—Me, and you, Me, with My body—one.

2. Ted, this is a first, a beginning—you will be here often—your traveling will never stop, never Ted, you will traverse My world from now until you walk into My presence, at My appointed time, after many people are set free and arisen and confidenced and significanced and freedomized, with freedom of Me permeating them. Joy, laughter, provision—begging not—worried not—confused not about the congruence of My promises and your visible reality—one—one—one Ted—forevermore. I promise it, and I keep My promises—

3. For your greatest joy is to see people free—whole, healed, released, free and walking in their call—My design for them—in joy and laughter and joy and confidence, joy, joy, joy. I thank you, I love you, I significance you like never before in the history of your life—but many more so before you walk in to Me.

4. Walk Ted, walk with kings and queens and ambassadors and politicians of power in city governments and governments of nations and century old organizations. Fear not, fear never, walk and arise My people in languages obscure, and credit those who help you—in Me. Honor, respect, power, glory—honor, respect, glory and power. Demonstrate My power and walk forth in what you have written of Me this day in your notes—proceed, run, gallop, fly—write, publish, and enjoy, enjoy, enjoy.

5. Freedom is arising for every person who embraces My words to you, for bridging the gap between you and them they must, they are, they will—and results will be reproduction of Me, for Me, for them—in joy, laughter and power.

6. You will laugh with men you thought powerful and untouchable, for you respect them and honor them—but not above Me—and not above the dirt-floored and poverty-permeated—One—My body—all.

7. Ted, I the Lord God will sweep this nation in power and glory and diversity of gifts using My body in all that you have learned and are learning in this conference I brought you to—awakening you in Russia years ago—seeding you, directing you directly, to "Buenos Aires, go." Thank you for coming and learning as you listen at My knee—and the feet of My servants—generals who know what intercession is—joyous, powerful, humble—humble people before Me.

8. Write and write forth and honor and elevate and open doors for My generals who I smile on even more—greater, sweeter and more powerfully—from this time, this conference—forth.

I love them, I respect them, for they have loved and respected and honored Me—honored Me, honored Me and unashamed been of Me.

9. Chris Menoia from Maui—My chosen, I arise. Mike Bonnema, I arise. I arise him. I arise Mike Galiga. I arise those who I've called and are still pondering these words and wondering if I can be in them—I want to arise you and confidence you and significance you and fulfill My design for you.

10. Maui you go, South Africa you go—to every country of delegates here—you go—at My beck and call—arranging many arisings of My body there, there, and so far greater.

11. Friends you are with Harold [C] and presidents of nations many—and readers/hearers who doubt—watch Me, watch what I do with a man, any person, totally sold out to Me. Watch Me, watch Me, watch My hand sweep and open and reveal and propel and arise through My surrendered, consecrated, transparent servant who has humbled himself and respects worldly success not—preferring My value system and My gifts and My promotion, and building My kingdom rather than his.

12. You My dear friend, My doubter, My reader/hearer in whatever state of faith and consecration you are in—see Me and seek Me and watch Me and participate, rather than spectate in the sweeping changes I am bringing throughout My body and My world, at light speed, now, today, begun already.

13. Will you allow Me to arise you? Will you seek correction—My correction—from Me—and let Me correct you? Will you seek discipline, judgment, and let Me reveal Myself to you in intimacy? Will you, will you, will you? Will you let Me make Myself known to you and break generational curses besetting you—demolishing deception that has recorded itself on your mind, to control your spirit, and bondage walk in thusly?

14. I love you, I love you, I love you. I provide for you. I provide, I provide magnanimously.

15. Money means nothing to Me.
Relationship means everything.
Obedience is My currency.

16. Read My servant's words, penned at My knee, and wisdom glean of principles of relationship greater than principles of money.

17. I love you reader/hearer.
18. I relationship you commensurate with your consecration to Me. In integrity walk in, and seriously sincere be. I am. I await. I arise and I want you to trust Me and the words

before you, begging to you to walk in My grace and awaiting for you, awaiting you, provisioned, ready, waiting, calling, at your fingertips, at My table, place waiting.

19. Thank you. Write Me off not.
Thank you. Fulfill your opportunity calling, begging, and let Me relationship you with leaders all over My world, and enjoy our adventure—The adventure—designed for you. There is nothing else that compares.

20. I am ready, are you?
I come, I call, I confirm, and I await. Will you bow, will you receive Me, will you turn from unbelief and let Me lift you up—My, My, My way—in My way—in MY way?

21. Oh please, receive Me.
Review My nail prints, My wounds taken for you, you, you oh reader/hearer, studier of My Word—receive My words and write with your own pen—My words to you—piercing asunder bondages long—but weak. Wait on Me and reveal Myself in such joy and power I am, I will, and disappoint, I won't.

22. Now glory in My cross that is empty and work done—propitiation made—recompense provided—price paid—and awaiting for you and yours and all of Mine I am, with outstretched arms, and a smile on My face, for every one, every single one who will open to Me.

Arise—
Open doors for those beside you, beside you, unselfishly totally. Revise, receive revision of My kingdom and My Spirit and passionate be for Me, and watch Me, watch Me, watch Me lift you.

6 months, 6 years—My time table.

Receive, open, repent, receive—My robes, My rings, My sandals—that await you, await you, with your name on them.

Arise, arise, arise.
I thank you, I thank you, I thank you. One be, one be, one be—in Me, in Me, in Me. Pleased be, and traverse My world in adventure plentiful—of Me—thank you.
